## Education

- |   |           |
|---|-----------|
| University of California, Merced  | May 2012  |
| • Bachelor of Science: Applied Mathematical Science, GPA 3.5<br>Emphasis on Engineering and minor in Natural Sciences Education |           |
| Fresno Pacific University   | May 2017  |
| • Preliminary Single Subject Math Credential  |           |
| Cleared Single Subject Math Teaching Credential   | June 2019 |

## Professional Experience

**7th Grade Math Teacher, Rivera Middle School** **Merced, CA** **Aug 2016 - Present**

- Adopted and implemented new curriculum that combined elements of geometry, algebra, probability, and statistics.
- Kept student records and analyzed them biweekly in order to address problematic areas and ensure student progress.
- Implemented various teaching techniques and differentiated instruction.
- Organized meetings with parents and fellow educators to discuss current classroom issues.
- Maintained good relationships with students and fostered open communication in culturally-diverse classrooms.
- Ran after-school tutoring for all students

**6th Grade Math Teacher, Bryant Middle School** **Dos Palos, CA** **Sept 2015-June 2016**

- Assessed tests and reported and analyzed students results.
- Created interactive learning environment by using whiteboards, online programs, and mathematical software.
- Cooperated with fellow teachers and parents to ensure students have the best learning tools and environment for progress.
- Managed groups of up to 30 students and provided them with behavioral guidelines.
- Encouraged class discussion and maintained positive learning environment.

**Substitute Teacher for K-12, Chico Unified School District Chico, CA** **Jan 2014 - Jun 2014**

- Requested as a substitute teacher by numerous teachers in Grace Middle School
- Maintained order in the classroom by efficiently executing lesson plans left by the teacher.
- Applied the necessary teaching strategies to use in classrooms with various skill levels.

**Math Tutor, UC Merced** **Merced, CA** **Sept 2011 – May 2012**

- Tutored students in groups and individually in differential and integral calculus
- Utilized previously acquired knowledge and experience to facilitate students
- Facilitated students after and outside of my tutoring hours
